HOME FROM HOME

One happy UK couple have just moved into their dream home in a town in France, that is coincidentally twinned with their old home town of Taunton in the UK and also came complete with a donkey!

David and Jackie Butcher found their new property after an exhaustive search of more than 10 French towns and finally settled on Lisieux in the Basse-Normandie region, after a chance encounter. They then sealed the purchase using foreign exchange specialists First Rate FX.

Jackie explains: "We were driving back from a property hunting expedition in the South of France and we found ourselves in the town of Lisieux which is twinned with our own home town of Taunton. We visited the Agence Met er Campagne estate agency in the town, as it had the Union Jack displayed in the window, and they helped us find our new home.

"The property is a three-bedroom farmhouse and is approximately 100 years old. It is perfect for us as it is in an idyllic and peaceful countryside setting far away from the hustle and bustle of life in the UK. As an added bonus our home came complete with a donkey and two sheep that we plan to keep, luckily they are very friendly and easy to look after!"

The estate agent who helped the Butchers find their new home, says: "Once we found the perfect home for David and Jackie the next piece of advice I gave them was to contact First Rate FX about handling their foreign exchange transaction. As a First Rate FX affiliate I knew they could offer a far better foreign exchange rate than the bank."

David Foster, senior currency specialist at First Rate FX says: "We were delighted to assist David and Jackie to secure the best possible rate for their currency transaction. By using First Rate FX as opposed to their own bank they saved over £3,000."

Of their experience with First Rate FX, Jackie says: "Working with First Rate FX has been absolutely superb. The entire process was smooth and hassle free and the savings we made on the transaction was a wonderful surprise. We would recommend First Rate FX to anyone, with no hesitation."
